April May June 1988

TRINIDAD HISTORIC DAY, April 17, 1988 is being celebrated by the Museum Society with open house at the Museum Center from 2 to 4 pm. The usual Trinidad Historic Day with other organizations participating will not be held.

Developments for the observance of Trinidad's Historic Day for 1989 are currently in progress under the able chairmanship of Sal Tavares. A third organizational meeting will be held shortly after mid-April. A letter of invitation will be mailed to all local organizations. It will give the date, time and place of the meeting with an invitation for representatives from each organization.

There is genuine interest in the continuation of this event and promise for a great Trinidad Historic Day in 1989.

-For this year-Please come to the annual meeting at 1:30 April 17th-and see our extended Native American materials added. You will be pleased with our joint efforts to date.

The annual meeting will be held for the purpose of election of three board members and annual report to the membership. Nominations may be made from the floor. Ann McCrory is not staying on the board but will continue on as membership chairman, replacing Katie Boyle. Katie will continue with the Newsletter. If you have news for the Newsletter, send it to her two weeks before the first month the news is due. eg. June 15th for the next one.

REMEMBER--Sunday April 17, 1988 Meeting 1:30 Open House 2:00. Refreshments will be served.

Are you a sustaining member of the Society?. No, you won't find that on our application form, but now more than ever we need your membership dollars to maintain our new building, provide for business necessities (including insurance!) and support the validity of our efforts. Now that we do have a building rented we are eligible to apply for grant money for specific projects, but the monies for day-to-day expenses have to come from the membership dues or other fund raising.

A membership table will be staffed at the General Meeting April 17th or use the form in this newsletter. Send to the Society box No 1122-or for faster reply direct to Anne McCrory Box 833, Trinidad, CA 95570.
